Field Trips and visitors from the community

We have bright, secure facilities, including a 4,500 sq ft outdoor fenced play area and a large indoor play room for inclement weather. We plan activities which develop self-expression and creativity, self-control, security and a feeling of success with non-family members, and responsibility for self, others, & possessions. Our curriculum includes phonics, language skills, math concepts, music, arts and crafts, beginning reading, and introductory Spanish skills. We have students from many nations and religions.
